

## PROTECTIVE CLOTHING

For their own safety, every rider is **obliged** to wear proper approved protective clothing suitable for the racing circuit – there can be no compromise when it comes to this !

**Leather combi** – one- or two-part leathers attached with zippers and protectors

**Motorcycle boots** – no combat boots, hiking boots or similar

**CE approved integral helmet**

**Motorcycle gloves**

**Back protector** – this can be either integrated into the leather combi or worn separately
